Work Experience

May 2013 - currently

Principal Clinical Psychologist: Dudley and Walsall Mental Health Trust

I currently assess and treat patients in an in-patient and community recovery service. I work with clients who present with severe and enduring mental health difficulties often detained under the Mental Health Act with significant forensic histories.

April 2012 - April 2013	Highly Specialist Clinical Psychologist: Birmingham Healthy Minds (NHS trust) Working within a Primary Care Service. Working with clients with mild to moderate mental health conditions applying CBT. Supervising Step 3 practitioners and doctoral trainee clinical psychologists. Conducting service related projects.
April 2011 -April 2012	Specialist Clinical psychologist: Birmingham Secondary Care Services (NHS trust) Working within a Secondary Care Service. Working with clients with severe and enduring mental health problems. Supervising community psychiatric nurses and social workers. Project and consultancy work.
August 2009- Mar 2011	Specialist Clinical psychologist: Wolverhampton Secondary Care Services (NHS trust) Working within a Secondary Care Service. Working with clients with severe and enduring mental health problems. Supervising community psychiatric nurses and social workers. Project and consultancy work.

Training and Therapies Provided

BABCP: Accredited CBT therapist.
