GMC Number: 6098898 (CCT in General and Liaison Psychiatry)

MEDICO-LEGAL EXPERIENCE

I am a senior Consultant Psychiatrist with a special interest in the interface between Psychiatry and Law. I author approximately 100 medicolegal reports annually.

Apart from law firms, I have also been commissioned to provide expert opinion by the General Pharmaceutical Council and Solicitors Regulation Authority. I work as a Health Assessor for the General Medical Council to prepare medico-legal reports for doctors facing fitness to practice hearings.

I have undertaken **report writing training** with GMC, Royal College of Psychiatrists and Bond Solon as follows:

- Bond Solon, March 2017
- GMC Health Assessor and Report writing for doctors, Nov 2016 & 2017
- Writing for Court: RCPsych, 06th Dec 2012, London

Expertise & Special Interests:

- Depression, Anxiety and Bipolar disorder
- PTSD
- Clinical negligence
- Psychotic disorders, Schizophrenia
- Post-traumatic stress disorder
- Domestic violence
- Drug and alcohol issues
- Personality disorders
- Mental capacity, litigation capacity and Fitness to plead
- Pre-sentence reports
- Medical negligence
- Stress-related disorders

INTRODUCTION

I am a senior **Consultant Adult Psychiatrist** with experience of working in a variety of clinical settings and dealing with challenging legal scenarios. I have been trained at the world renowned Institute of Psychiatry, London. I have been **awarded with multiple NHS Quality Improvement & Clinical Excellence Awards**.

Along with my clinical role, **I am a Training Programme Director for Psychiatry**. I have also worked in the NHS as an expert for Serious Untoward Investigations cases.

I have been a **medicolegal expert for a number of years and complete an average of hundred reports per year. I am able to take instructions for urgent reports**. I have taken instructions as an expert witness in clinical negligence, civil, family, criminal law and immigration proceedings. I have been instructed by private companies for **Occupational Psychiatry reports, expert report for Employment tribunals, medical negligence & personal injury cases**.

Dr Muffazal Shabbir Rawala

MSc MRCPsych M.B., B.S

Consultant Adult Psychiatrist

I have expertise in dealing with work related stress, depression, anxiety, psychotic illness, PTSD and cPTSD in asylum seekers, OCD and personality disorders.

I have a Master's degree in Culture and Health with a focus on Transcultural Psychiatry and work with a variety of ethnic groups. I am **fluent in English, Gujrati, Urdu and Hindi** and also regularly work with interpreters.

I am able to do reports at short notice and have access to private consultation rooms in Luton and Central London. I am also able to travel to solicitors' offices if needed with a short turnover time for reports.

QUALIFICATIONS

- **Clinical Certificate in Psychopharmacology, British Association of Psychopharmacology:** September 2013.
